

Ways You Can Help

Thank you for your interest in helping raise funds for our “Journey to Nepal”. The needs at the orphanage in Kathmandu are great and varied. Simple things that we take for granted like fresh fruit and vegetables, shoes, smoke alarms and blankets are the basic necessities that the orphanage needs to support the many children it protects. And we hope not to simply nourish the body, but also the soul. The children also need toys and books to promote learning, social development, creativity and problem solving skills.

You can help support our volunteering efforts at the orphanage through a variety of sponsorship opportunities! Every penny makes a difference, and we are extremely grateful for any of the following ways in which you might choose to help.
